# PRESENTACIÓN

Estimados docentes, familias y miembros de la comunidad educativa:

Con gran alegría ponemos a su disposición la colección de módulos “Hablemos LESSA” (Lengua de Señas Salvadoreña), conscientes que son una herramienta valiosa que contribuye al desarrollo de la visión educativa actual y al compromiso decidido del Ministerio de Educación, por lograr que nuestro sistema educativo brinde servicios inclusivos, con calidad y equidad.

Eliminar barreras que limitan el acceso y la participación a los beneficios que la oferta que el sistema educativo brinda es uno de los mayores retos que como Ministerio de Educación nos hemos planteado. Lograr la comunicación efectiva entre los miembros de la comunidad, el acceso a la información y la participación de todos y cada uno de los miembros de la comunidad educativa, es nuestro compromiso.

Somos conscientes que, en El Salvador, la comunidad de personas con discapacidad auditiva se encuentra frente a la realidad social fuertemente marcada por paradigmas que limitan el goce pleno de sus derechos. Se reconoce a las Personas con discapacidad auditiva como una comunidad con sus propias características culturales y que representan un segmento poblacional, que para su real inclusión requieren y demandan apoyos en el ámbito de la información y comunicación, atención temprana para el aprendizaje de Lengua de Señas Salvadoreña (LESSA), desarrollar el aprendizaje del castellano como segunda lengua (bilingüismo), información pública con subtítulos adaptados, con mayor énfasis en espacios públicos, educativos e institucionales, así como disponer de servicios de interpretación y otros apoyos alternativos. (CONAIPD, 2014. Política de Atención Integral a la persona con discapacidad)

En este sentido y en atención a lo dispuesto en la Convención sobre los Derechos de las Personas con Discapacidad y en la normativa nacional, especialmente la Ley General de Educación, artículo 15-A, que dice: “Se reconoce la Lengua de Señas Salvadoreña – LESSA, como la lengua natural y oficial de las personas sordas salvadoreñas; en consecuencia, todas las actividades que se realicen para este sector de la sociedad, deberán llevarse a cabo en estricto apego a esta disposición, por tanto, es obligación del estado velar por su enseñanza y conservación” (Art. 15-A, Ley General de Educación), el Ministerio de Educación, Ciencia y Tecnología con el aporte de la Asociación Salvadoreña de Sordos ha decidido editar, imprimir y publicar los módulos “Lengua de Señas Salvadoreña-LESSA”. Tenemos la seguridad que el buen uso y la difusión del contenido de estos módulos especialmente por parte de maestros, maestras, familia y miembros de la comunidad contribuirá a ampliar los horizontes destinados a construir una educación y sociedad inclusiva.
